Types AVA1 and AVA2 SERIES II 79 pages Printed 1956 Still complete with pullout folded AVA Running Maintenance Chart USED.. Martin very kindly telephoned and posted me a photocopy of the workshop manual Jim Perkins (of Petter fame) also responded to the advert and was able to tell me from the engine number that the engine was built in November 1967.. It was made by Johnson Machinery Ltd who were based in Adswold, Stockport, Cheshire.. He told me the dumper is a Model 2HG The 'G' denotes gravity tip as opposed to hydraulic. I had no idea who made the dumper when I got it Dumpers are often hard to identify so I put a free advert and picture in Classic Plant and Machinery magazine in the hope of finding out a bit more.. My Johnson 2HG Dumper Restoration Project I got my dumper on 31/01/06 for £100 It was mechanically sound but in need of a total restoration and repaint.. Petter Diesel Engine AVA Operators Handbook Petters Limited (known as JB Petter & Sons of Yeovil until 1910), were a maker of stationary petrol and diesel engines from 1896 onwards.. Once completed, the dumper can tow my Fleming Micron digger around, move spoil and be used for bringing back firewood.. It's a manual tip variety and starts with a handle I thought it was a nice restoration project because it's quite unusual as it has rear wheel drive unlike most dumpers which have the driving wheels under the skip. e828bfe731 [New Savings On Samson Go Mic Portable Usb Microphone For Mac](#)
